## Issues/Concerns

- As Always Manning is #1
- April HSI: **Four Type 1 and Three Type 2 findings** – Sighted low manning as key factor
- Shop is on target for first 100% casefile completion rate in four years
- New Chief BE – Arrives Late Sep
- ESOHMIS Migration: 100% Shop Mapping now working Process Activity Section
- MANNING
- ORE – Scheduled for Oct 04
- **ORI** – Tentatively scheduled for **Nov 04**
- External ESOHCAMP Scheduled for Jan 05
- Internal ECAMP – No significant BE findings
- Need Training on WMD Equipment/Responses
- Finally MANNING
